

HUMAN SERVICES

The Human Resources' budget of \$52,749,977 is 21.8% of total expenditures for this fiscal year. A significant portion of the Human Resources' budget is funded by State and Federal sources. Social Services' expenditures of \$39,119,318 go to support the human needs, and the Public Health Department is projected to expend \$11,990,062 for the specialized public health services it offers. Other Human Resources include the Medical Examiner and is funded at \$100,000 this fiscal year. \$1,540,597 for Mental Health contracted services.

The dependence of these services on Federal and State grants makes the budget process very difficult. Therefore, the County has a conservative approach to anticipated revenues and a realistic approach to service levels which cushion the impact of Federal and State reductions in funding and service levels.
